

## TRASH 4

PORTABLE POWER

Water Pumps Range AQUALINE SPECIALIST

### PRODUCT ADVANTAGES

- KOHLER air-cooled industrial engine
- Resistant pump-barrel
- Automatic priming
- Easy access to the turbine
- Offers accessories

### Range AQUALINE SPECIALIST

High performance under extreme conditions.

## TRASH 4

### WATER PUMP SPECIFICATIONS

|  |   |
|--|---|
| Range                                  | AQUALINE SPECIALIST                     |
| Type liquid                            | Extremely heavily sedimented water pump |
| Suction diameter [mm]                  | 100                                     |
| Backflow diameter (mm)                 | 100                                     |
| Outflow maximum (L/min)                | 1600                                    |
| Outflow maximum (m <sup>3</sup> /h)    | 96                                      |
| Lifting height (m)                     | 17                                      |
| Suction height (m)                     | 8                                       |
| Granulometry (mm)                      | 20                                      |
| Automatic priming                      | Yes                                     |
| Fuel                                   | Diesel Fuel                             |
| Tank (L)                               | 4.30                                    |
| 75% cons. (l/h) *                      | 1.40                                    |
| 75% Autonomy (h) *                     | 3.10                                    |
| Sound power level guaranteed LwA dB(A) | 110                                     |
| Acoustic pressure level @1m in dB(A)   | 95                                      |
| Acoustic pressure level @7m in dB(A)   | 81                                      |

### ENGINE SPECIFICATIONS

|   |               |
|---|---------------|
| Engine brand                              | KOHLER DIESEL |
| Engine ref.                               | KD350         |
| Distribution                              | Diesel O.H.V. |
| Start                                     | Starter       |
| Oil shutdown                              | Non           |
| Displacement (cm <sup>3</sup> )           | 349           |
| Oil system capacity including filters (L) | 1.20          |

### DIMENSIONS AND WEIGHT

|                 |       |
|-----------------|-------|
| Length (cm)     | 71.50 |
| Width (cm)      | 57    |
| Height (cm)     | 59    |
| Dry Weight (kg) | 90    |

### PACKAGING

|                                    |        |
|------------------------------------|--------|
| Packaging type                     | Box    |
| Length (cm)                        | 73     |
| Width (cm)                         | 58     |
| Height (cm)                        | 59.50  |
| Weight (kg)                        | 102    |
| Pallet type                        | 120/80 |
| Number of box by pallet            | 4      |
| Pallet height (cm)                 | 132    |
| weight of the packaged Pallet (kg) | 418    |
